

# Romans Discussion Questions

## Romans 5

### ***Getting things started***

Why do you believe Paul goes to such great lengths to describe justification and what it accomplishes for the believer?

### ***Discussion questions***

As a result of our justification, Paul immediately lists a multitude of benefits, which result from our justification. List them out with their corresponding verse number.

What are the three things in which we are to rejoice as a result of our justification (vs. 2, 3, and 11)? Why?

As you read through verses 12-21, what are some of the comparisons that Paul makes between Adam and Jesus Christ?

### ***For your consideration and application***

Paul uses several words to describe our state *before* we were justified in verses 6-10. How does that shape and impact your view of God's love towards you? How might this change the way you view difficult and hard relationships in your life?
