

# Romans Discussion Questions

Romans 8:31-39

## ***Getting things started***

Paul has anticipated questions from his audience (cf. 6:1, 3; 7:1, 7, 13). Up to this point, what remaining questions would you ask the Apostle Paul if you could?

## ***Discussion questions***

In this section, Paul asks and answers 5 questions. Write each of the questions below.

How does Paul answer the first question of verse 31 in verse 32? What is the point Paul is seeking to make?

Paul lists several things, which could potentially cause people to doubt God's love (cf. 35, 38-39). Write them out, and comment on how Paul's original audience would have found comfort in these declarations.

## ***For your consideration and application***

When are you most prone or tempted to doubt God's love for you? How can [and will] your heart be assured of his love from what you have read and meditated on in Romans?
