“Positive personal change begins to take place when my dreams of change begin to line up with God’s purposes for change. Leaving behind goals of personal comfort and self-fulfillment, I begin to reach out for Christ, desiring to be more and more like Him each day. As I do this, I become more and more prepared for my ultimate destination—eternity with Him.”

From the book *How People Change*

# have you ever struggled with how to change yourself?

You are not alone! Many people struggle with understanding the redemptive story of change which unfolds in the Bible. Perhaps you are dealing with issues of sin and suffering and desire to know what God's Word says about spiritual growth and change. If so, this course is for you. How People Change is an exciting and practical course designed to help you understand the biblical process of change. We will study the intricacies of the human heart and see the beauty of the gospel that transforms

daily life in a real and tangible way. In depth biblical discipleship is about relationships—with God and with others. How People Change will give you the tools to understand the change process in your own life and be better able to help others experience spiritual growth in their lives. We will be encouraged to look at our own hearts through the lens of God's Word and learn to rely more on God's many forms of grace. This will enable us to step out in life with renewed faith and courage.
