

CROSSROADS  
PRISON MINISTRIES

**10 million people**

are serving time in prison worldwide.

**2.2 million**

of these prisoners are in the United States.

**88 percent**

of US prisoners do not have regular visitors.

There is an **epidemic of loneliness** behind bars.

YOU CAN MAKE A DIFFERENCE  
by writing a letter.

“Prison is such a lonely time.  
Every letter you get means  
someone thought about you.  
Getting a letter from someone  
on the outside is like **GOLD**.”

- *Crossroads student John*

# JOIN US TODAY!

## Study God's Word with people who are in prison.

We believe that we are not meant to study God's Word alone. That is why our mentorship program connects prisoners with mentors who help them study and understand the Bible. The mentors' encouraging letters are the heart of the ministry and remind people in prison that they are not forgotten and that they are deeply loved by God.

You can impact prisoners' lives as a Crossroads mentor from **anywhere in the United States.**

As a Crossroads mentor, you will:

- Review students' Bible study lessons and offer encouraging comments
- Write uplifting and hope-filled letters to your students
- Pray for your students
