your statutes as one
rejoices in great riches.”

PRAYING FOR
basics

2022

basics conference

PLEASE PRAY...

that the Word of God is truly the joy of the hearts of the men, and that they rejoice in following its statutes (*Ps. 119:14-16*).

for the preparation of the attendees—that the men would have the support of their families and congregations in attending the conference, and that all the logistics for leaving can be addressed. Pray also that God would be preparing their hearts and minds for this time.

for the preparation of the speakers and breakout leaders—that God would guide their final preparations and that he would bring clarity to their messages.

for the final preparations of conference materials, the building, the Bookstore, the Café—that all would be ready and in order by Monday morning. Pray for a spirit of anticipation, joy, and cooperation for all involved.

for our media team, Truth For Life, MediaNet, and BoxCast as they facilitate all of the technical pieces behind recording and livestreaming the conference so that people beyond those who can be physically present are helped and encouraged in pastoral ministry.

for favorable weather so the men can be outside during breaks and free time.

for safe travel to, from, and during the conference for all attending Basics.

THANK YOU!

WE ARE GRATEFUL FOR YOUR PRAYERS.
