

Equipping Servants to Disciple and Evangelize

Dear friends,

December 2018

We trust you are well! We thank God for your partnership in the gospel with us as we continue to help pastors and church leaders honor Christ by being true to His Scriptures. We are asking the Lord to help us see gospel-centered churches raised up and committed to disciple believers and reach the lost for the glory of God.

Recently, in an effort to lower costs, we asked our Equipping Servants (ESI) team in Mexico, Ecuador, Peru, Bolivia, Chile, Uruguay, Paraguay, Brazil, Argentina, Colombia and Sweden to encourage new ESI participants to provide their own tablets/laptops where possible – and ESI will provide the materials for the 3 year training. The response was overwhelmingly supportive. This allows us to continue expanding into ever-widening regions where the church is not gospel-centered. We will continue to buy e-Readers for participants who do not have one.

Please pray for the Lord's supply as we train ESI Facilitator Leaders to start new groups in the following cities in the first half of 2019.

- Barquisimeto, Venezuela with 70 Facilitators (we normally pair Facilitators to start a group of 15 participants each, so this means approximately 35 groups, which means 500 new ESI participants will start in Venezuela in 2019 Lord willing!!)
- Paysandú, Uruguay with 20 Facilitators
- Santiago, Chile with 20 or so Facilitators
- Santa Clara, Brazil with 70 Facilitators
- Guayaquil, Ecuador with 40 Facilitators
- Ciudad del Este, Paraguay with 20 Facilitators

Also please pray as we meet with key pastors in Spain (Valencia, Barcelona, Madrid, Granada) and Portugal (Lisbon) in January. Pray that if the Lord would have us start ESI there, He will raise up a committed pastor or team willing to coordinate the work of ESI.

Thanking God for His most indescribable gift this Christmas 2018! (2 Corinthians 9:15) Have a wonderful Christmas!!
