

***Paul: "I planted, Apollos watered, but God gave the growth. So, neither he who plants nor he who waters is anything, but only God who gives the growth." 1 Cor 3:6-7***

Dear Friends,

September 2023

The last few months have been full of routine: Bible studies, mentoring and discipling, counseling, reading and learning, worshiping with our church, coaching, training coaches... We are seeking to grow and to be faithful, knowing that as Paul said, it is God who gives the growth, both in our lives and in the lives of those we invest in.

Summer soccer camps took place in many countries: Belgium, Croatia, Serbia, Albania, England, Scotland, Northern Ireland, Czech Republic, Holland, Hungary, Slovenia and Poland. Some had 15 kids attending while others had up to 200. Please pray that the gospel seeds that were planted will yield fruit.

We had visits from our daughters this summer and greatly enjoyed our times together. Kelly is a mid-shift ER nurse at two different hospitals in the Dayton area, serving adults and children. Katie (in Minneapolis) cares for adults with disabilities and is taking classes toward her masters in Early Childhood Development/Psychology. Anna (also near Dayton) works at a fire department and is in paramedic school. Each one of them is a gift; they love and serve others in their unique ways and we're so thankful to be their parents.

In mid-October Goran will be taking an extended trip to Europe to visit Ambassadors leaders and ministries in several countries. Please pray for him as he makes plans, buys tickets, and schedules meetings and travel.

We appreciate your support and prayers for us more than you know. Please pray for wisdom, growth in Christlikeness and increasing love for God and others. Thank you!

We thank God for you!

In the love of Christ,  
Goran and Beth
