

EQUIPPING SERVANTS NEWSLETTER MARCH 2017

We thank God for your partnership in the gospel with ESI. ESI's commitment is to honor Christ by strengthening the local church throughout Latin America so that it will be true to the Scriptures. We do this by discipling pastors and church leaders to grow in the grace of the Lord Jesus in their walk with God, to be faithful to His charge of discipling believers and mobilizing the church to take the gospel where it is least known. The state of the church in so much of Latin America is compared to a derailed train, having abandoned God's Word. The task before us is immense. Please pray as we launch ESI in Temuco, Chile in June this year!

New ESI group Bogota. These pastors just received their Module #1 books

Module #4 Yajalon, Chiapas, Mexico—where thousands of believers were killed in the 90's

ESI Module #2 group in El Alto, La Paz, Bolivia

God is building life-long Biblical friendships among pastors, who are choosing to walk together and not alone

Its not without challenges. Pastor Juan (center) was given a mandate by his legalistic denomination to stop preaching Romans

This Module #3 group meets in the local jail in La Paz, Bolivia train pastors at the local church inside the jail — led by pastor Carlos

Thank you for helping make a difference for the Gospel in Latin America!
