

Cancer Support Group

AT PARKSIDE CHURCH

We're here for you.

The discovery of cancer can be an unpredictable and frightening season in life. The Cancer Support Ministry at Parkside Church is a Bible-based support group designed to help anyone affected by the painful circumstances of cancer. Whether battling cancer currently or acting as a loving caregiver, this ministry provides a place for individuals to share stories, stresses, worries and celebration.

Our mission is to offer help and hope to those touched by cancer as we point them to Christ in the context of loving relationships with the Bible as our guide. We do that by creating a confidential environment that merges spiritual, emotional, social and practical support.
