

An update from Ruth & Artis Powell

Village Hope Ministries International, Inc.

August 2025

We thank you for your prayers and partnership with Village Hope International Ministries Inc., in the work of the gospel in Kasempa, Zambia. Village Hope International Ministries, Incorporated is a 501 (C) (3) established under the laws of the USA.

Pray for the Equipping Servants International (ESI) workshop—for the 30 pastors who will gather from August 19th to 24th, 2025. Pray for them to be established in their service to God.

Zambia is a Christian nation, but many people have a lack of understanding because of the HUMANISM philosophy, which affects the economy of the country. Please pray for Zambia to continue to be preserved as a Christian nation.

Pray for the nation, not to just be called a Christian nation, but that the people in the nation may truly be born again.

Pray for people in Kasempa, where our ministry is established, that they may not reject Christ by their deeds.

Pray for believers to make time to study the word of God, to pray and to live the word of God, though their lives are busy trying to find ways to survive.

Thank you so much for praying! May the Lord bless you and make His face shine upon you!
