

Equipping Servants... disciples making disciples

October 2020 Update

Hello from Cleveland! We pray for you and are thankful for your prayers! We are about halfway through our Home Assignment in the States. We had a wonderful time in August camping with our kids and grandchildren. September got us involved in meetings at Parkside Church in Cleveland – which we will continue to do until we return to Bolivia in early January, Lord willing.

Please pray for our church in La Paz as the leadership decides how and when to return to physically meeting. Covid continues to affect many in Bolivia, but families in our church report fewer deaths than before. Debbie and I remain heavily involved in online meetings in the ILC Church – leadership, discipleship, evangelism, counseling and small groups.

Please pray for the ESI (Equipping Servants: Disciples Making Disciples) groups meeting in 15 countries. Four new ESI groups started in Guatemala last month. Pray for these participants as they begin studying through Romans. Pray that they will encounter Jesus and come to honor Him by understanding and living the transformation of the gospel in their lives, thinking and service. Pray for ESI Facilitator Training weeks that we plan to hold in the USA in Spanish and Mozambique in Portuguese sometime in 2021.

Thanking the Lord for your partnership in the gospel,

Kep & Debbie James
