He is God!... Give thanks to Him; bless His name!

HAITI

Greetings from Haiti. Over the last several months, I (Mike) have had two opportunities to spend time in Haiti helping our MAF staff with aircraft inspections. Please pray for the country of Haiti and for our staff. Due to security concerns, our staff families were moved to the USA in October and our pilots and mechanics are rotating into Haiti. Travel over land is difficult with the current situation, so there is considerable need and demand for our service by different mission agencies. Please pray for wisdom as decisions are made to allow us to continue serving here.

HYK Leaving Ohio

GOING HOME!

Thank you for praying for the logistics to move our airplane back to Mexico from Ohio after an engine change. It turned into a month-long odyssey as Amos dealt with bad weather and a number of paperwork delays along the way. We are grateful that today as I write this, Amos will be arriving back home with the airplane to Oaxaca. Please continue to pray that the airplane will once again be used to serve the needs of indigenous people and build bridges for the gospel.
