

## **An update from Ruth & Artis Powell**

**Village Hope Ministries International, Inc.**

September 2025

We praise God for two barrels full of school supplies, personal hygiene items, children's shoes and adults and children's Christian books and other accessories. We pray for the ship not to be delayed by bad weather on the ocean.

We are thankful to God that Barbara Brewer and Ruth traveled to Zambia safely. And on August 11, we conducted a 'VBC' type of program where we reached over 120 boys and girls and some parents who sat in and listened.

Please, continue to pray for the pastors who attended the Equipping Servants International (ESI) conference. Pray that they will be refreshed and encouraged as they meet to encourage one another in the study of the Word.

Pray for God's provision of funding to provide Bibles in the local language of people who don't read English.
