## ON-TIME ARRIVAL FOR ADVENT SERIES

Pastor Danny Schillero is planning a special Advent series. Please note:

- On these 3 Sundays, children in K-grade 5 will attend a portion of the morning worship service with their Sunday School class.
- If parents would like their children to participate **with their class** in the "children's time" in the worship service, it is **necessary** for children to arrive to their classrooms **on time**.
- Children should be checked in as usual at the kiosks and brought to their classrooms **no later than 8:55am** for the first service and **no later than 10:25am** for the second service.
- At the scheduled time, children will be escorted into the service by their teachers and sit down front on the floor by classes.

### What happens if my child arrives late?

We ask that children who arrive later than the times listed above sit with parents in the auditorium. Children may be dropped off in classrooms once groups have returned from the auditorium.

### Can my child still participate in the auditorium if they are seated with me?

Children sitting with parents should NOT join the children on the floor. This is for the safety of all children so we know who is in the care of our Children's Ministry staff or in the care of their parents. We do not want any children to be "lost" as we move children in and out of the auditorium.

*All of this information, plus additional Children's Ministry December updates, will be included in an email on November 29.*
