Discussion Questions Exodus 12- The Exodus

Looking at Exodus 12:1-13, note that the Lord's instructions for the feast of Passover contains an unusual sense of urgency.

1. Make a list of the commands of God to the Israelites in preparation for what is about to happen.

2 .What might be the purpose for these actions? How does Hebrews 11:28 shed additional light on this passage?

3. Look at Exodus 12:11. Note how Israel was called to eat of the lamb fully dressed and ready for action. Now look at Luke 12:36. There, Jesus uses the same language found in Exodus 12:11, to call his disciples to do the same. What does this mean for us today?

4. Look carefully at Exodus 12:12-13. Note that the distinction between Israel and Egypt is based exclusively on whether or not the blood of the lamb was over one's doorpost.

- What was necessary to place the blood over one's doorpost?
- What did the "sign" mean?
- What does the Blood of the Passover Lamb in Exodus foreshadow in the New Testament?

5. What is the significance of verses 14-21 & 43-50? What is God's purpose in these commands?

6. What has made the most impact on your thinking and living from our study of Exodus so far?
