Here are some photos of the church planter training that Debbie and I are doing here in Senegal this week with Mauritanian church leaders. You can see their eagerness to study God's Word as we dig into the book of Romans. Pray that they will see Jesus in the center, and develop a commitment to study the Bible every day of their life -- to understand what it says, to live what it says, and to faithfully teach what it says!! Pray also for Egyptian missionaries Emad and Rasha and their family (see photo below) as they invest their lives training these church planters.

Thank you for praying with us,
