

Pictures from Uruguay...

Greetings from Uruguay! It's been a while since our last update... we wanted to take a minute to share some pictures and prayer requests. Thanks for your prayers and partnership in the gospel!

We continue to meet on Thursdays to (eat and) study the Bible =). Please pray for the salvation of those who come, as many are not yet believers.

We meet once or twice a month as a church planting team to think and pray together. Please pray that God would lead us in this process. We hope to launch next year, but are still working things out.

Earlier this month, we had a "faith and science" presentation with people from the Bible study. We encouraged people to invite others and had 4 new individuals who had never joined us. Please pray that these individuals will return for the Bible Study and come to saving faith in Christ.

The ESI leadership development program is going well. My group is coming to the end of its second year (out of three) and one of my colleagues has two groups finishing year one. Please pray that the students would finish strong and that the training would give them a good foundation for future ministry. Please pray also that God would guide us as we seek to open two new groups next year (one led by a young man who is currently in my group).

In September we had an evangelism training, using materials from "Christianity Explored" and Rico Tice. Please pray for fruit from this event and that God would raise up a church that is committed to sharing Christ.

Leadership training last weekend with students from ESI.

Starbucks made it to Uruguay! Angie is super happy!!! =)

Other prayer requests:

- We're planning on taking our home assignment later this year. Please pray for our family as we prepare for this.
- Angie volunteers at school to teach three classes of English each week. Please pray that God would use this opportunity (and others like it) to build relationships in the community and be a gospel light.
- Please pray for the salvation of a young lady Angie is meeting with each week to study "Christianity Explored".

We thank God for your lives, and your partnership in the gospel.

In Christ,

The James Family
