ROSS MINISTRY UPDATE

You are the light of the world...let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven. Matt 5:14-16

Dear Friends,

Greetings from cold, snowy Ohio. It is hard to believe that a month ago I was able to help host a dental team from the Cleveland area in warm, sunny Oaxaca. Thank you for your prayers! We saw God open many doors, despite the Pandemic and the Omicron spike, for this group to minister to almost 250 patients in the remote town of Mamay in Amoltepec, Oaxaca.

Dental Team

Mamey Church and Dental Clinic

The dental clinic was hosted by the local church and many people who would never dream of going to an evangelical church were greeted by Christians from Amoltepec, the city of Oaxaca, and Ohio, all working together to share God's love with them. Several members of our MAF team in Oaxaca, plus a medical doctor and a dentist from our church in Oaxaca, were able to join in to help make this a successful multicultural endeavor. We regularly got questions from those we served asking why these people would come. Questions like this open doors to share the gospel. Pray that Pedro, the local pastor, will have many opportunities to share the Good News with unbelievers. Please pray that the seeds planted will bring forth fruit for the Kingdom.

Mike was able to help our pilot Amos with a six-month check ride and received a check ride from one of our flight instructors, Danny, from our Training Department in Idaho who made the trip to Oaxaca. Danny also flew with Gregorio while he was there. Gregorio is a young Mexican Christian commercial pilot who feels called to fly with MAF. Danny made several suggestions of areas where Gregorio could work to improve his skills as a pilot. Please pray that God would open the doors for him to get the additional training he needs to fly with MAF.

Danny and Gregorio

Please continue to pray for an office for MAF in Oaxaca. By the time you read this we will have vacated our old building, which the airport plans to demolish, and moved into a temporary trailer. The airport has assigned us an empty lot to develop into an office space. Pray for favor, wisdom and for God's provision.

Thank you for your prayers and financial support which make it possible for us to continue to share God's love in Oaxaca.

**Love in Jesus,
Mike and Joan**
